Marble

Porcelain Tiles

32x62,5 / 60x60 cm

The classic, elegant and minimalist style of black & white marble is reinvented as a decorative trend with this collection, which stands out for the neutrality and purity of their backgrounds and the fine details of their veins.

The beauty of these marbles, with an outstanding timeless aesthetic, and the high technical performance of the porcelain material, make it a highly appreciated product by architects and interior designers all over the world.
